

Stock Donations

First off, thank you for your desire to partner with SMCC financially through stock gifts. Your partnership allows us to continue our mission of reaching as many people as possible, and helping them become fully devoted and fully delighted followers of Jesus Christ.

To allow us to best partner with you, please make us aware of your stock donation (so we can best track your donation and issue an end of the year statement) by emailing **finance@smccutah.org**. By keeping us in the loop on your donation, we can best ensure that we keep your funds attached to your giving profile.

To start the process of making a stock donation to SMCC, please start by contacting Investment Officer with Wells Fargo:
