ROLES OF THE NEXT GEN PASTOR

1. **CHAMPION THE NEXT GENERATION** – Inspire our church to say yes to the next generation, investing in their future now. The way we love kids now directly impacts who they will be as adults. As kids grow through the phases, they need loving and committed adults to show up and connect with them, share life with them, and invest in them,

preparing them for what's next. The NextGen Pastor ensures that kids have those adults in their lives, casts the vision for their potential, tells their stories, inspiring the church to love and treat each child like they are made in the image of God.

2. **RECRUIT LEADERS** – Recruiting teachers, leaders and coaches is the lifeblood of your ministry. All ministry depends on volunteer servant leaders and they must be found, trained, and appreciated.
3. **ASSIST MINISTRY** – Serve your leaders. Assist them in whatever way is needed to ensure not only their success but also their sense of joy and fulfillment in doing what God has called them to do. This includes making sure the tools and resources you provide are genuinely helpful, your communications systems are efficient and effective, your environments are inspiring and the messaging is engaging. The NextGen Pastor sets up the system that makes all this possible.
4. **COMMUNICATE THE GOSPEL** – Craft core truths into engaging, relevant, and memorable experiences. This includes curriculum selection, development, and review. It also includes overseeing social media messaging, and other communications.
5. **PARTNER WITH PARENTS** – Find ways to genuinely partner with parents in raising their children. Provide what the church can provide best: a loving network of caring adults who are committed to helping them grow in faith, wisdom, and friendship. Engage every parent to have a positive influence in the spiritual development of their own kids. This includes resourcing parents and ensuring consistent communication with parents.
